Disclaimer and Warranty

By using reloaded and custom loaded ammunition in IPSC-events which fail to comply with international standards of maximum or minimum pressure, accidents may happen. I am aware of this fact.

With full knowledge of the existing risk, I explicitly and unrevocably waive all potential damage claims against the host organisation and its officers which may arise from use of irregular ammunition or ammunition which fails to meet abovementioned standards.

My damage claims waiver excludes claims against the individual directly responsible for the use of such irregular ammunition.

Herewith I explicitly declare to the organizers that all ammunition used by me during this event meets all applicable international standards of maximum and minimum gas pressures.

Without this warranty, the host organisation will not permit participation in this shooting event.

GDPR EU Disclaimer

I, the undersigned, hereby give my explicit & unconditional consent for IPSC and the local member Region organizations or individuals to maintain and process my personal data which was given voluntarily by me, for participating in IPSC activities and events and I waive any data privacy protection rights, as defined under the GDPR EU Regulation or any other personal data protection laws. I also give my consent this data, including results to be directly transmitted to IPSC, BDS, LV2 des BDS, and other IPSC Regions, for the purpose of publishing results of this event at their relevant websites, and this will not be regarded as breach of data or unauthorized process.
